HOW DO I COMPLETE THE HIGHMARK AUTHORIZATION FOR DISCLOSURE OF HEALTH INFORMATION (ADHI) FORM?

Section 1:

1. Identify who will be disclosing the information. In most cases **Highmark** should be entered in this field.
2. Insert the full name of the individual whose information is being disclosed.
3. Insert the individual's birth date.
4. Insert the individual's address.
5. Insert the individual's phone number.
6. Insert the individual's Unique Member ID (UMI).
7. Insert the dates of service to be covered. For example, if Highmark is to disclose records related to a certain hospitalization, the admission and discharge date should be inserted. A time frame may also be entered, generally not to exceed one year. Two separate time frames may be entered to account for two hospitalizations, etc.

Section 2:

This block will rarely be checked, as Highmark should not have copies of psychotherapy notes, except perhaps in our HMS area. **Please note that if this box is checked none of the boxes in Section 3 may be checked.** A separate ADHI must be completed for release of medical information in the event the ADHI form is requesting the release of psychotherapy notes.

Section 3:

This section provides the description of the information to be released. Only check the box(es) corresponding to the information to be disclosed.

If "Other" is checked, a description of the information to be released should be entered on the provided line.

If a "sensitive" diagnosis is to be disclosed, the pertinent boxes in the next section (e.g., HIV/AIDS, drug/alcohol, mental health, etc.) must be checked.

Section 4:

Insert the name of the person or entity who is to receive the information.

The purpose of the disclosure should identify what the information will be used for, e.g., appeal of a denied claim, litigation, at the request of the individual.

Section 5:

Highmark or the name of the person or entity listed in Section (1) should be entered in the field indicating who the written revocation should be given to. Revocations for ADHIs should be forwarded to the appropriate Customer Service area identified on the back of the member's identification card.

An expiration event or date should be entered. If an expiration date or event is not entered, the Authorization will expire one year from the date of the signature.

The individual should read the remaining paragraphs in Section 5.

The Authorization must be signed and dated by the individual whose information is to be released.

The completed Authorization should be mailed to:
Highmark Inc.

P.O. Box 890035
