Important Things to Remember

Please keep this catalog for your entire 2023 benefit year.

- Your OTC benefit covers only the units included in this catalog.
- If an item is deemed to be medically necessary, it might be covered by the health plan rather than using your OTC benefit for the item. Please check with your physician before ordering.
- The website is available 24/7, unless down for maintenance. The call center is available to take orders Monday – Saturday from 8 a.m. to 5 p.m. and Sunday 10 a.m. to 5 p.m. If you want to place your order by mail, please allow at least seven days for the mail order form to reach us.
- Please allow seven to 10 days for delivery of in-stock units. You will be notified if an item is out of stock and may take longer for delivery. If mailing your order, please allow one week for mail delivery to Fieldtex Products. Mail orders will be processed the month in which they are received.
- If you receive a damaged item, call Fieldtex Products immediately at 1-800-353-7763 (TTY Hearing Impaired: 711) Monday - Friday 8 a.m. to 5 p.m. The item will be exchanged for an identical item at no cost to you. Please note that only damaged products can be exchanged within 30 days of purchase, no other returns are allowed. We will not substitute brand name products with generic products.
- Highmark Wholecare and Fieldtex Products are not responsible for lost or stolen packages. For delivery issues, please contact your carrier.
- Fieldtex Products is the supplier of all the products in this catalog and can only answer questions pertaining to your order. Medical information regarding the use of these products is not available. Please consult your physician.

It is provided for your information and convenience only. Fieldtex Products does not guarantee the accuracy or completeness of the information, and does not recommend or endorse the products that are referenced in the catalog.
- The OTC benefit only guarantees members a credit to use while ordering units listed in this catalog. Please note, however, that the units themselves are not offered or guaranteed by Highmark Wholecare.
- Products in this catalog should only be ordered for the enrolled member.
- Products with two asterisks (**) next to their name are Dual Purpose units. In order to purchase these units under your plan, your personal physician must recommend them to you for a specific diagnosed condition. Please speak to your physician before ordering these units.
